## TEAM SPOTLIGHT: MEN'S A

For the winter season, the A-team play in division 1 where the standard is pretty high.

The season is always a challenge as there are 11 matches within a relatively short timeframe. That mixed with a sprinkle of covid, injuries and less than Stella weather have made it pretty tricky to field a consistent team!

Despite that, we have had a good season and with 2 matches left we expect to end up in a safe mid-table position.

We are excited to have 2 new additions to the team, Murray and Harry who we hope will help us to move up from division 3 in the summer league starting soon!

## REMINDERS

As mentioned in a recent club-wide email, please remember to book courts 1-3 before choosing to book court 4 to reduce the inconvenience to neighbours and increase opportunity for non-members to use it for pay-and-play. Of course if only court 4 is free, you are welcome to book it.

Equally, if you book a court and can no longer attend your booking, please ensure you cancel it to allow someone else to use it and to stop the floodlights coming on regardless. Thank you for your cooperation!

## VACANT COMMITTEE POSTS

Are you interested in becoming more involved with the tennis club? We are looking for new committee members to take up posts within our committee.

We are looking for:

- Chairman
- Safeguarding Officer

If you think you may be interested in one of these roles or getting more involved with the tennis club in general, please email [kbstennisclub@gmail.com](mailto:kbstennisclub@gmail.com) and we can give you more details.

We are also looking for an accountant who would be willing to look over our accounts. If you are an accountant and able to help, please let us know.

Further details regarding the vacant will be contained in an email to all members being sent soon. If you would like further details prior to this, please email Rachael at [kbstennisclub@gmail.com](mailto:kbstennisclub@gmail.com)
